

## PUBLIC MEETING NOTICE

June 9, 2022 from 6:00 – 7:30 p.m.

### SR 434 Roundabouts Design – Jetta Point to Artesia Street

**Overview** – Seminole County is working in partnership with the Florida Department of Transportation (FDOT), District Five on the final design of SR 434 from Jetta Point, just west of SR 417, to Artesia Street to improve traffic operations and safety for motorists, pedestrians, and cyclists. The design includes roundabouts at Mactavandash Drive, Hammock Lane, and Artesia Street. The project design also includes a continuous shared-use path on the south/west side and a shared-use path/sidewalk on the north/east side of the roadway, providing access to the Cross Seminole Trail. Changes to access management will occur upon construction of this project. This project builds upon the previous Corridor Planning Study, for which a Public Meeting was held in November 2019 and has been coordinated with local and regional agency partners including the City of Oviedo, City of Winter Springs, FDOT, and MetroPlan Orlando to identify and implement solutions to the corridor's existing and future needs.

**Public Meeting** – A public meeting will be conducted to present the preliminary design and receive public comments. An in-person and virtual meeting will be held on June 9<sup>th</sup>, 2022 from 6:00 – 7:30 p.m., which includes a short presentation followed by an open house for those attending in-person.

**In-Person Live Meeting:** Those who wish to participate can attend the meeting at **The Foundry Church** (1491 E State Rd 434, Winter Springs, FL 32708). A presentation will begin at 6:00 p.m. There will be an opportunity to view project displays, speak with project team members, and provide comments after the presentation.

**Microsoft Teams Link (for home viewing):** will be provided on the Project Website (see below).

**Library Location (for Teams Viewing):** **Seminole County Library**, East Branch, 310 Division Street, Oviedo, Florida 32765. Please contact Jeff Sloman at 407-665-5572 or [jsloman@seminolecountyfl.gov](mailto:jsloman@seminolecountyfl.gov) to reserve a seat at the library location as capacity is limited. Seating availability will be provided on a first-come, first-serve basis and attendees shall be responsible for utilizing their own headphones or earbuds.

**Project Website** – A website has been prepared to allow residents and project stakeholders to view project information virtually, after which they can provide feedback during the public comment period from June 9, 2022 to June 23, 2022. Informational exhibits are available on the project website and are located under project documents. The webpage can be accessed at: <https://www.seminolecountyfl.gov/cip01785145>. Please provide your feedback via the comment form on the website or by email to [jsloman@seminolecountyfl.gov](mailto:jsloman@seminolecountyfl.gov) on or before June 23, 2022. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.

**ADA Accommodation** – Persons with disabilities needing assistance to participate in these proceedings should contact the Human Resources ADA Coordinator 48 hours in advance of the meeting at (407) 665-7940.

**Contact Us** - Should you have any questions prior to the meeting, please contact the Seminole County Public Works Engineering Division Project Manager Jeff Sloman, P.E., by email at [jsloman@seminolecountyfl.gov](mailto:jsloman@seminolecountyfl.gov) or by phone at (407) 665-5572.
